

## About Us

Speth Electric was established in 2004 by Randy Speth. We employ 3 journeymen electricians and three apprentices. Today the company has over 50 years of combined experience among it's journeymen electricians. Covering all markets in the electrical industry including residential, commercial, agriculture, industrial and specialty wiring such as Structure Wiring and Cable, Audio Systems, Back-Up Generators and Landscape Lighting. We are available 24 hours a day for emergency service calls.
